

## Editor's note

At the end of 2016, a new editorial board for the “Automatyka/Automatics” journal was appointed to serve for the next four years. Currently, Prof. Krzysztof Oprzędkiewicz holds the position of editor in chief, Dr. Andrzej Tutaj is the assistant editor, and the remaining members are as follows:

- Prof. Henryk Górecki
- Prof. Ryszard Tadeusiewicz,
- Prof. Wojciech Mitkowski,
- Prof. Stanisław Piróg,
- Prof. Ewa Pawłuszewicz (Białystok University of Technology),
- Prof. Adam Piłat,
- Prof. Marek Iwaniec,
- Prof. Dieter Schott (Wismar University, Germany).

The rules for manuscript submission and review have been modified. The use of the LaTeX system for text preparation is recommended; however, MS Word documents will also be acceptable. Manuscripts are reviewed in a double blind process. To facilitate and streamline author-editor-reviewer cooperation, the OJS (Open Journal System) on-line submission and reviewing environment has been employed. Previous to 2017, the following scientists acted as reviewers for the journal:

Piotr Augustyniak

Witold Byrski

Ewa Dudek-Dyduch

Andrzej Izworski

Adam Korytowski

Wojciech Mitkowski
